

Hetavin Pokiya

Computer Engineering Student | Aspiring Software Developer & ML Engineer

[EMAIL](#) | [LINKED IN](#)

CAREER OBJECTIVE

A motivated and curious Computer Engineering student with a strong interest in software development and machine learning. Skilled in Python, web technologies, and building practical applications, with hands-on experience in computer vision projects. Seeking a role as a Software Developer or ML Engineer where I can contribute to impactful products, sharpen my engineering skills, and grow in a collaborative, technology-driven environment.

EDUCATION

B.E. in Computer Engineering (6th Semester)

2023 – Present

LFRP – ITR, Gandhinagar | Kadi Sarva Vishwavidhyalaya (KSV)

Higher Secondary School (12th – Science)

Completed 2023

Alpha Vidhya Sankul, Junagadh | GHSEB Board

TECHNICAL SKILLS

- Programming Languages: C, Python, JavaScript
- Web Technologies: HTML5, CSS3, Bootstrap, Flask
- Machine Learning / CV: OpenCV, NumPy, Pandas (Fundamentals)
- Database: MySQL
- Tools & Platforms: VS Code, Git, GitHub (Basic)

PROJECTS

EduSync – Face Recognition System

[Python](#) | [OpenCV](#) | [Flask](#) | [MySQL](#)

- Developed a real-time face recognition system using Python and OpenCV that detects and identifies individuals through a live webcam feed.
- Built a Flask-based web interface for registering students, managing facial data, and administering the system with a clean UI.
- Designed a MySQL database to store student profiles, facial encodings, and session logs as the backbone for future attendance records.
- Future Scope: Evolving EduSync into a complete student attendance management system with auto-marking, daily attendance reports, and teacher/admin role-based dashboard.

Iron Hub – Gym Management System [Python](#) / [Flask](#) / [MySQL](#)

- Building a full-stack gym management web application to handle member registration, subscription plans, and fee payment tracking.
- Implementing a Bootstrap-based admin dashboard to manage members, assign trainers, and track daily check-ins.
- Planned features include automated renewal reminders, member progress logs, and a payment history module.

INTERNSHIP / EXPERIENCE

Fresher — No formal internship experience at present. Actively developing practical skills through selfdriven projects in software development and computer vision, and seeking internship opportunities to gain real-world industry exposure.

STRENGTHS

- Quick Learner – Rapidly picks up new technologies, tools, and frameworks with minimal guidance.
- Problem Solving – Approaches challenges analytically, breaking them into structured and logical steps.
- Team Work – Communicates effectively and contributes positively in collaborative environments.
- Hard Working – Consistent, disciplined, and committed to delivering quality results on every task.

PERSONAL DETAILS

- Date of Birth: 23 November 2005
- Address: Sakar Tenament, Opp. Nishant Bungalows, Niko – Naroda Road, Nikol, Ahmedabad – 382350
- Languages Known: English, Hindi, Gujarati
- Phone: +91 97732 93841

DECLARATION

I hereby declare that all the information provided above is true and correct to the best of my knowledge and belief.
